Dear Mr. Ross-Collins and Ms. Gantenbein:

RE: NHI Letter of February 14, 2007

Discussion of the proposed fisheries study plan has been set as an agenda item for the regular meeting of the Tuolumne River Technical Advisory Committee scheduled for Thursday, March 8, 2007 at the Turlock Irrigation District office, 333 E. Canal Drive, Turlock, California. All interested parties are welcome to attend and participate. The meeting will begin at 9:30 a.m. We do not feel it necessary to engage the services of an outside facilitator.

Please remember that in accordance with our transmittal to you on February 2, 2007, that your comments and suggestions on the proposed study plan are due by 5 p.m. PST on Monday, March 5, 2007.

Sincerely,

Walter P. Ward  
Assistant General Manager  
Water Operations  
Modesto Irrigation District  
P.O. Box 4060  
Modesto, California 95352

Robert M. Nees  
Assistant General Manager  
Water Resources & Regulatory Affairs  
Turlock Irrigation District  
P.O. Box 949  
Turlock, California 95380
