**Subject: California Department of Fish and Game's Additional Comments on the Fisheries Study Plan for the New Don Pedro Project (Project No. 2299-060)**

Dear Secretary Bose:

This letter is to notify you that the California Department of Fish and Game is in agreement with the comments provided by the National Marine Fisheries Service (NMFS) per their letter to the Federal Energy Regulatory Commission dated September 18, 2007, regarding NMFS's additional Comments on the Fisheries Study Plan for the Don Pedro Project (Project No. 2299-060). If you have any questions, please contact Dean Marston (559) 243-4014, extension 241.

Sincerely,

W. E. Loudermilk  
Regional Manager
